## Why use a separate account?

- Easy to keep track of what is coming in and out
  - Buffer fund
  - You can link your account to accounting software
  - Easy for accounting
- 

We love Starling Bank because:

- It's free
- 'Spaces' to ensure you put away money for tax, holidays etc.
- You can take pictures of your receipts for each transaction
- Refer a friend to use Starling you and your friend get a free day pass to the National Trust!

You just click from your bank account, refer a friend and send them your referral link.

## **Fancy a free day trip to the National Trust?**

Refer a friend to Starling using your referral link and when they open an account you both get one free individual day pass to the National Trust.

It's valid for 6 months from the date your friend opens an account. So plenty of time to plan your adventure.

## Top Tip!

You will want to make sure you use your business bank details on all your invoices that you send.

It is a great idea to take out your business set up costs using this account so you can easily see any start up costs that you can write off when it comes to tax time.
